4. Proposals for New Sawmills and Additional machinery received in online portal as per Notification, dated.09.09.2023:

All the applications received in online portal as on 22.11.2023 are placed before the Committee. The list is enclosed as Annexure-1 and the same is discussed by the Committee.

- The SLC checked the list of rejected applications and after deliberations, the committee opined that further information/specific reasons shall be obtained from concerned DFOs for rejection of applications.
- The list of 109 cases/sawmills (additional machinery) for which common orders were passed by the Hon'ble High Court, are examined. Out of 109 sawmills, 24 sawmill owners have not applied in the online portal and 85 sawmill owners have applied. The Committee decided to obtain the detailed information from the DFOs on all such not received/applied

cases with reasons if any, to ensure compliance with Hon'ble High Court orders. Apart from these 109 cases of sawmills, all other sawmills wherein there are Cases filed in the Hon'ble Courts are also discussed. The list of all such sawmills with court cases is enclosed as Annexure -II and the same is discussed by the Committee.

- c. The Committee deliberated upon the new saw mills who have applied in the portal duly stating the Industrial areas/zones. It is observed that 41 applications of New sawmills are recommended based on the certificates furnished by the applicants from Municipal Commissioners/Gram Panchayats. In this context, as opined by the representative from the Industries, the committee agreed upon to address the concerned Municipal Commissioners/District Collectors seeking clarification on the authorities competent for declaring Industrial areas/Zones duly forwarding the list of such industrial areas.
- d. Further , the Committee has discussed that the operational activities of saw mills in non- industrial areas/ residential areas may pose hazards viz air & noise pollution, waste disposal , heavy vehicular traffic movement which impact environment and also cause inconvenience to the public whereas establishing/relocating saw mills in Industrial areas/zones as notified by the Government will ensure compliance with safety protocols viz as fire prevention measures , all other necessary measures such as noise and waste discharges which are in accordance with the standards approved by the Environment Protection Act etc.,. Moreover, there will be effective monitoring of such units established in Industrial areas /zones by all the concerned departments from time to time. Hence the Committee agreed upon to finalise only such relocation and new saw mills establishment applications proposed in Industrial areas/zones as decided in 16th SLC meeting.
- e. Further the Committee also decided to address Secretary, Industries department for feasibility of declaring any areas in the State as "Industrial estate " in accordance with the Andhra Pradesh Wood Based Industries (Establishment and Regulation) Rules, 2018 issued in GO Ms no 48 EFS&T(Sec-IV) dated 08.5.2018.
- f. The applications recommended by the Circle heads and received are analysed as per Rule 7 of Andhra Pradesh Wood Based Industries (Establishment and Regulation) Rules, 2018 for total timber requirement. Sri Dwara Ramakrishna , A.P Saw mill Federation/ Member suggested that the maximum limit of capacity of machinery shall be restricted up to 40 HP for both the new saw mills establishment cases and for additional machinery of existing saw mills cases with (2) primary machines (Horizontal and Vertical Band Saws). The Committee agreed upon the same.
- g. The Committee has also decided that the cut-off date for implementation of the decision taken in 16th SLC in respect of relocation of Sawmills only to an industrial areas/zones is 22.06.2023 and accordingly the applications processed prior to above date, if any, in non-industrial areas shall also be considered.
- h. It is also deliberated that proposals will be permitted subject to availability of timber.
- i. Further, it is decided to direct the concerned DFIS/CFsto process the pending 14 applications, with FROs of Bapatla, Prakasam, Tirupati, Srikakulam, Anakapally and Visakhapatnam Divisions in online portal immediately.
