(3) The Divisional Forest Officer may, for the purpose of issue of permits in Form-II for the forest produce to be removed from private lands, ascertain about the rights and titles over the forest produce from such Revenue Officer of the district, as may be specified by the Conservator of Forests.

#### CASELAW

(i) The authorities should not insist for transit permit for small sizes purchased in retail from the Sawmills within municipal areas. The authorities can verify the relevant documents, namely, delivery challan, cash memo, etc., to ascertain whether the sawn sizes are from illicit timber or not. *Mushini Venkateswara Rao and others vs. Govt. of Andhra Pradesh*, 1997 (3) ALD 685 (DB).

(ii) (a) State Government can regulate transport of timber and if necessary, it can prohibit export of timber if found necessary to meet the demands of local people.

(b) The Transit Rules are not contravening Article 301 of the Constitution of India. Sections 41 and 76 of the Indian Forest Act, 1927 are "laws" within the ambit of Article 302, which empowers the Parliament to impose restrictions in the public interest on Freedom of Trade and Commerce within India, therefore, Rules made under the Act are protected by Article 302. *State of Tripura vs. Sudhir Ranjan Nath*, 1997 (2) Supreme 444 = 1997 (3) ALD (SCSN) 5.

6. (1) The ownership of timber <sup>2</sup>[not belonging to the Government] may, if moved within the State in accordance with these rules be indicated by a separate property mark.

(2) All such property marks shall be registered by the Divisional Forest Officer.

(5) If registration of property mark is refused or cancelled for reasons other than misuse, the registration fee shall be refunded by the Divisional Forest Officer.

<sup>2</sup>[6-A.
